

Nimitz Thanksgiving Feast

Organized by the Nimitz Diversity Committee

Join us in bringing Nimitz students experiences from around the world (or right next-door!). Share a favorite dish, dessert, or drink from your culture (including American) with all the students. For food and desserts, please provide **two serving containers** so we can offer your dish on both sides of our buffet.

Where: Nimitz GLC

When: Friday, November 20th.

What: Bring food to the GLC between 8:05 - 10:45
(the food will be served to the students from 11:30 to 12:45)

After the students finish their lunch period (around 12:45) - students' families are invited to come and share the remaining food.

Please participate by bringing food, making a donation and/or volunteering some time to help setup and serve the food. Complete the attached form and **return by Monday**, November 9th or sign up online at <http://www.nimitzpta.org/feast/>. (Please do not bring dishes that contain raw meat or alcohol).
